## CAPABILITIES SUMMARY

We are communicators. We are artists.

We are problem solvers and thinkers.

Neon Pig is a creative agency established in January, 2018 and based in Downtown Colorado Springs. Our team carries deep passion when it comes to brand identity, print design, web design & development, marketing strategy, and messaging. Our three partners, Michael O'Caña, Laura Schnarr, and Colin Christie, have 40+ years of combined experience in creating successful visual communication. Our team is rounded out with graphic designers, web developers, and a project manager, each bringing a multitude of skill sets to the table.
